School Year 2021-2022

Dear Student:

Since 1986, the Delaware Community Foundation has been helping individuals and organizations establish charitable funds and award grants. Many of our donors who care about education create scholarship funds to help individuals like you with rising education costs.

You can apply for the majority of our scholarships by completing the DCF's online general application. Some scholarships require more information which you will be notified of after completing the general application. You may be eligible for more than one scholarship. There is no cap on the number of awards or amount you can receive.

The booklet is separated into two parts by county: The first part lists scholarships covered by the online general application. Unique scholarships listed in the second part of the book require a separate application, and instructions are provided.

To complete the online application, visit our scholarship page at delcf.org/scholarships to be directed to our application link. You will be required to create an account using your email address on the Foundant platform if this is your first time applying. By completing and submitting this general application, you will be considered for all of the scholarships you qualify for.

The online general application must be completed and submitted no later than **March 15, 2022**. All sections must be complete, and all supporting documents must be provided. Partially completed applications will not be considered. This includes any application in which recommendations are not complete.

There are also several scholarships with different dates at the end of the list. Make sure you review these as well. Please check the deadlines and submission requirements for those scholarships not covered by the online general application. All scholarship awards are made at the discretion of the DCF Board of Directors.

Please carefully review our *Compendium*; we believe it will be time well spent. If you have any questions about scholarship opportunities with the Delaware Community Foundation, please feel free to contact me at 302.856.4393 or ksheridan@delcf.org.

Sincerely,

Kelly Sheridan
