Diversity, Equity & Inclusion (DEI)
The Delaware Community Foundation would like to collect demographic data on your Board of Directors and the population your organization serves. Please note that answers to these questions will not affect the eligibility of your proposal.

At the DCF, we are committed to building opportunity for all. To be successful, we know that a focus on equity is crucial. The DCF has made several organizational commitments.

We would like to hear from you on how your organization is incorporating DEI values:

• For example, do you incorporate the perspectives of the population served in program design and delivery?
• Has your organization hosted cultural sensitivity training for staff and/or board of directors?
• Is your organization seeking out cross-cultural experiences that encourage awareness
